

CONFLICT PREVENTION AND SECURING ATTRACTANTS ON PRIVATE LANDS  
GRIZZLY BEAR ADVISORY COMMITTEE  
DECEMBER 5, 2019

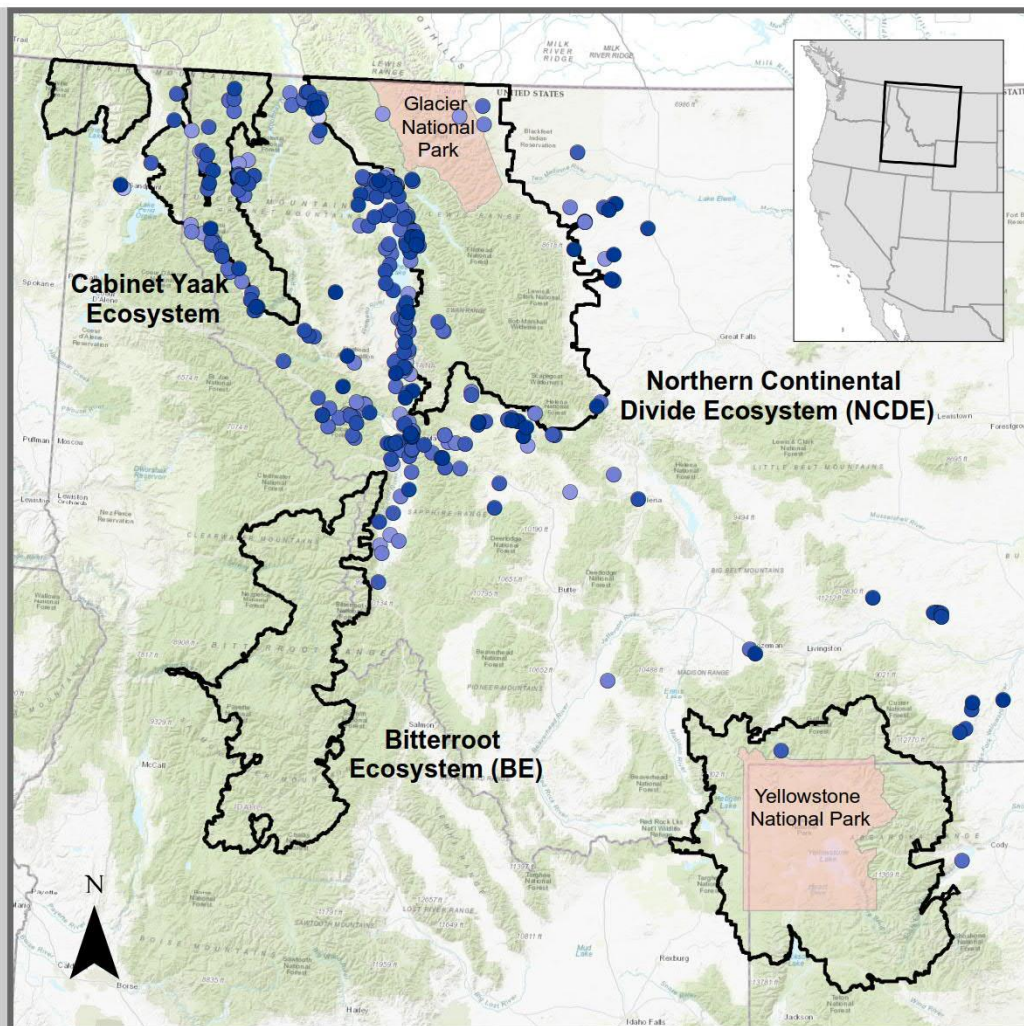

# Electric Fence Incentive Program

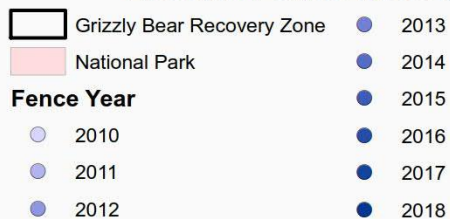

- Reimburse 50% the cost of a bear-resistant electric fence (up to a maximum of \$500)
- Provides technical and financial assistance
- Applicable in specified counties in Montana, Idaho, Wyoming and eastern Washington.
- Since 2010, this program has installed nearly 400 electric fences

## Defenders of Wildlife Electric Fence Incentive Projects 2010-2018

# Securing attractants and garbage

- Partnering with Agencies, Communities, and Landowners
- Cost-sharing on bear-resistant dumpsters, residential garbage, campground food storage containers, etc.

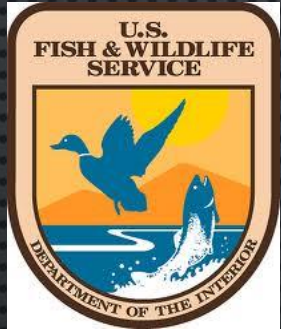

# Collaboration is integral to our program.

## Thank you to our many partners!
